"YOU CAN CUT US BACK,

Jean Jones

0919

Mrs Jones,
You are a super
nice person. Stay
that way. I like
being in your class.

Love ya,
Carol Diaman

Face it! Cutbacks are a reality. For the past three years we have heard about cutbacks and levy elections. We feared that the impact would hit us, and sure enough it has!

Some of us may not notice these cutbacks, yet they are there lurking among us.

Did you wonder why you had to cram the answers on a one-inch line, on your exams, when you needed two pages to answer the question. And, when you asked for more paper the teacher replied, "I'm really sorry, but this year we're conserving paper, please try your best, and make sure you have a complete answer or it will be wrong." You could have died. You probably have guessed the reason for this inconvenience, and you're right: it is that ugly reality — CUTBACKS!!!

OR: Maybe you wondered why the football team had to stay in the army reserve and not in luxury at the regularly reserved motel on its trip to Boise? (You guessed it again — CUTBACKS!) Don't worry though, our mighty Bengals roughed it and pulled through with an easy win over Nampa!

Although we cut back, sacrificed and gave our sales pitches, we combined all of our resources. Together we succeeded and demonstrated our theme . . .

"YOU CAN CUT US BACK, BUT YOU CAN'T KEEP US APART!!!"

DEDICATION

Dr. Glen Morgan

Whether you're at a football game, school play, basketball game, chug-a-lug contest, or just plain walking between classes, you're bound to notice one smiling and familiar face, that of Dr. Morgan.

At least two successful people have come from rural Malad, Idaho: Governor John Evans and Dr. Glen Morgan. Dr. Morgan acquired three degrees from the University of Idaho, including his doctorate in Education. While working for the Lewiston schools, he proved himself a capable teacher, assistant to the superintendent and principal. He was also director of the CSTA Program. (Remember sitting in a cardboard circus tent and talking into a tape recorder?)

Here, at the High School, he has gained the respect of the students and teachers. He began in the middle of last year, facing additional challenges with the "cutbacks." Recognizing his accomplishments and successes, we, the Yearbook Staff, proudly dedicate *The 1983 Golden Bengal* to Dr. Glen Morgan.

BENGALS OVER BULLDOGS

Homecoming '82 proved to be a memorable event as the Lewiston Bengals defeated the Sandpoint Bulldogs 38-6.

Intensity was high and enthusiasm up with many students participating in the spirited week that eventually led up to a game that matched the excitement, spelling VICTORY!!!

The Bengals jumped off to a quick 12-0 lead with two impressive drives. Sandpoint tried all night to stop the gold machine but never succeeded. The Bengals rolled up 393 yards and four touchdowns on offense, while the stingy defense allowed only one Sandpoint score, displaying that their talent on the field could not be matched, finishing off homecoming week A CUT ABOVE THE REST!!

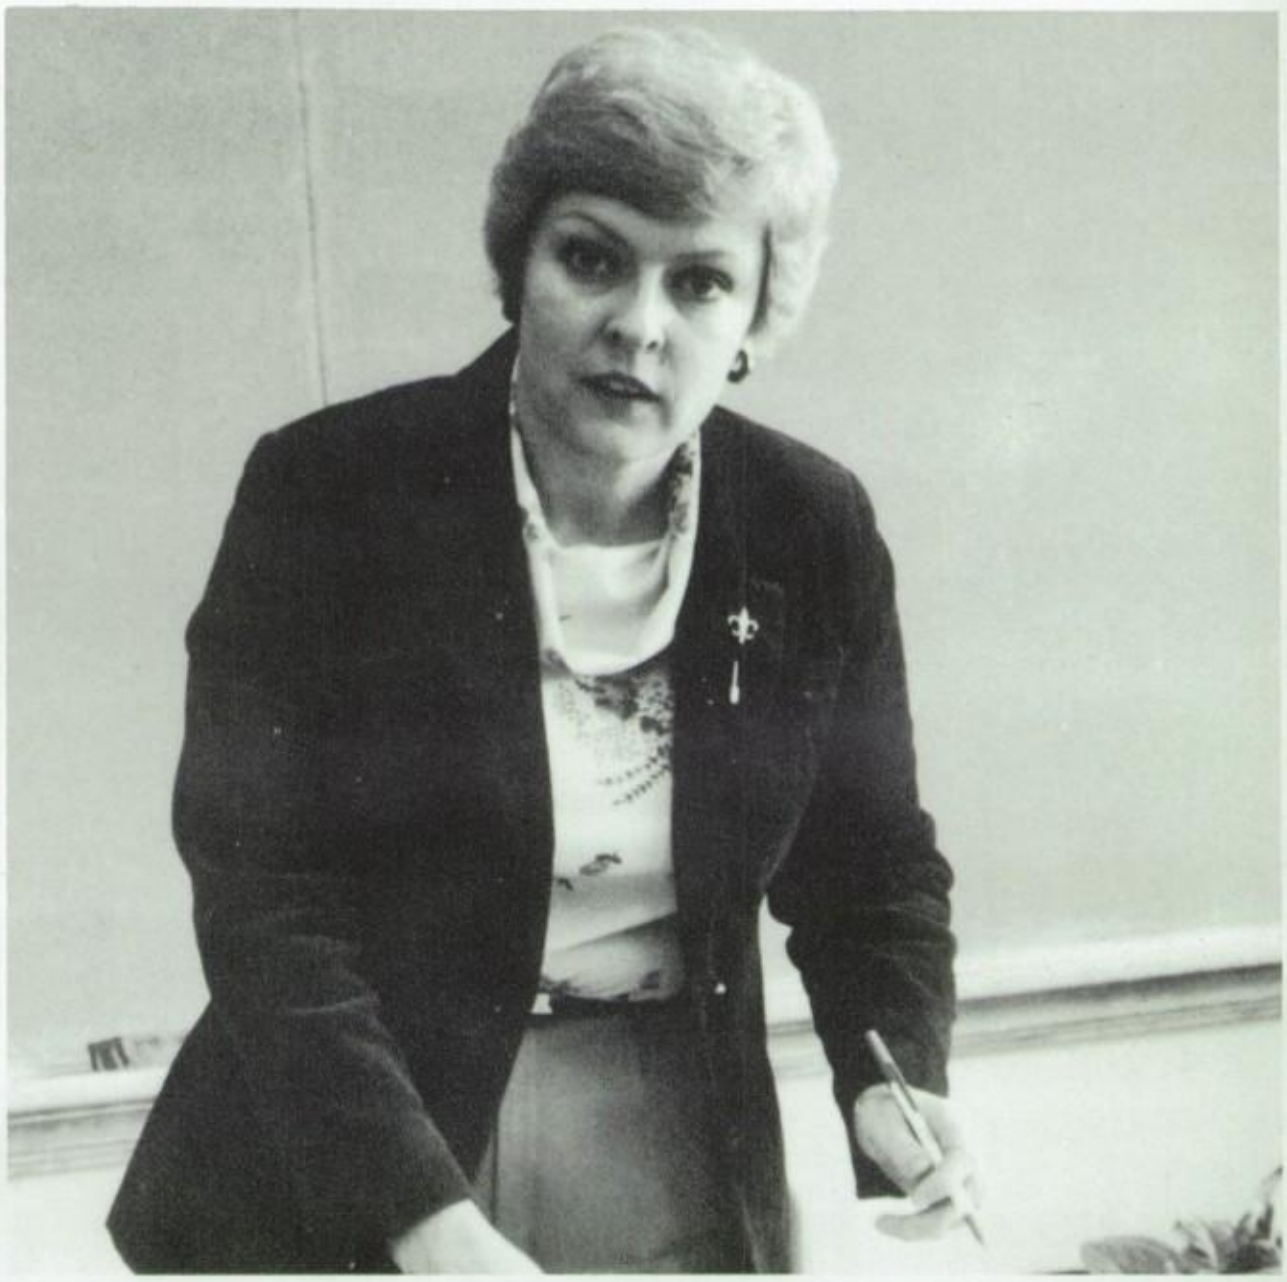
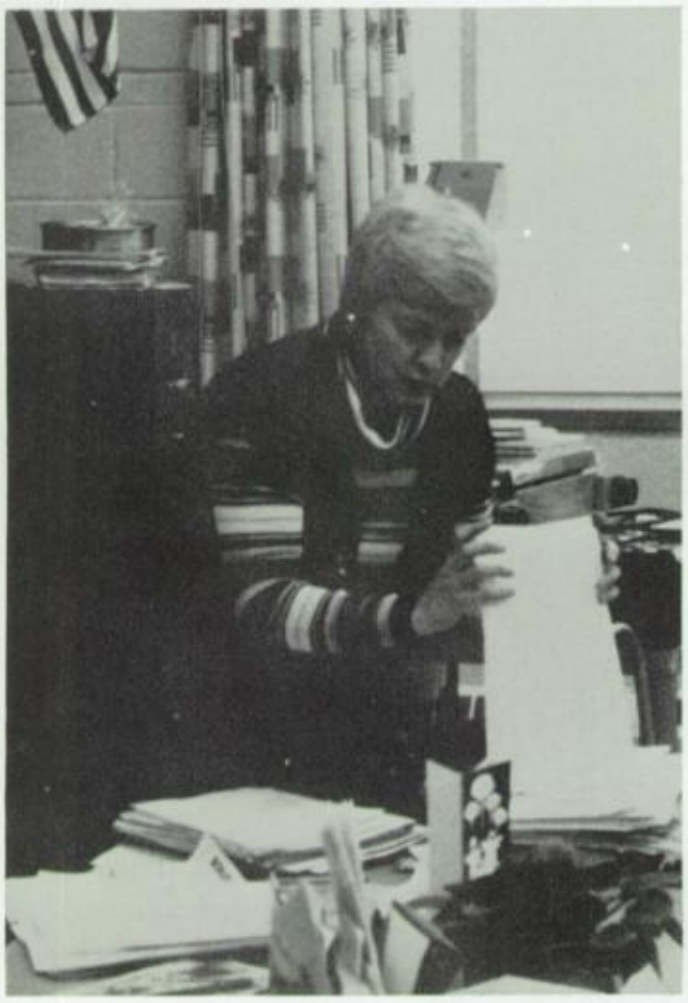
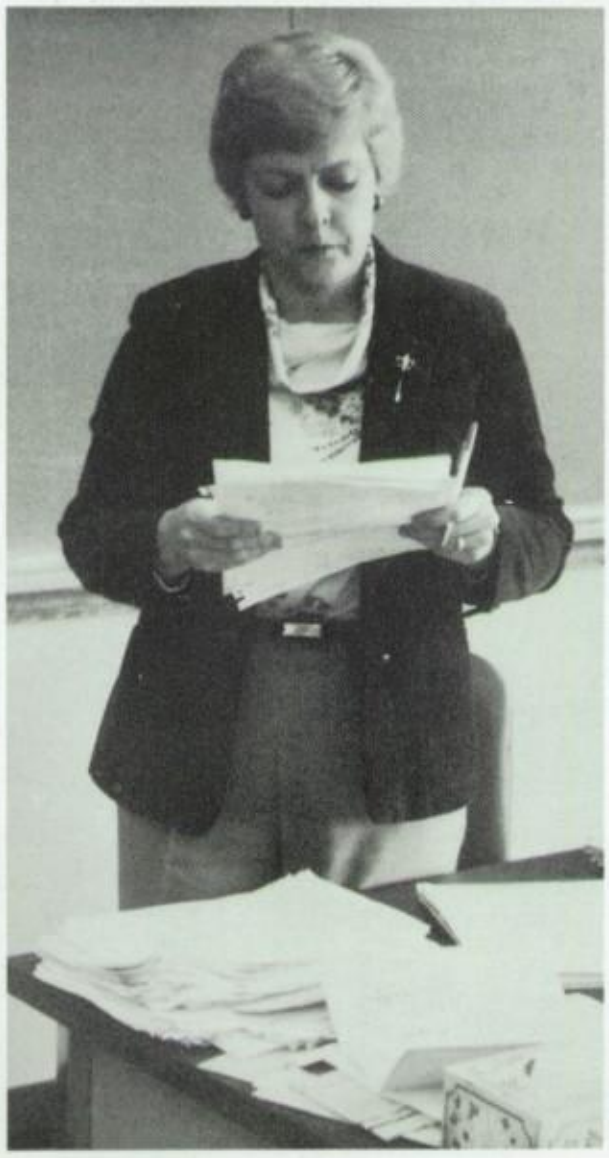
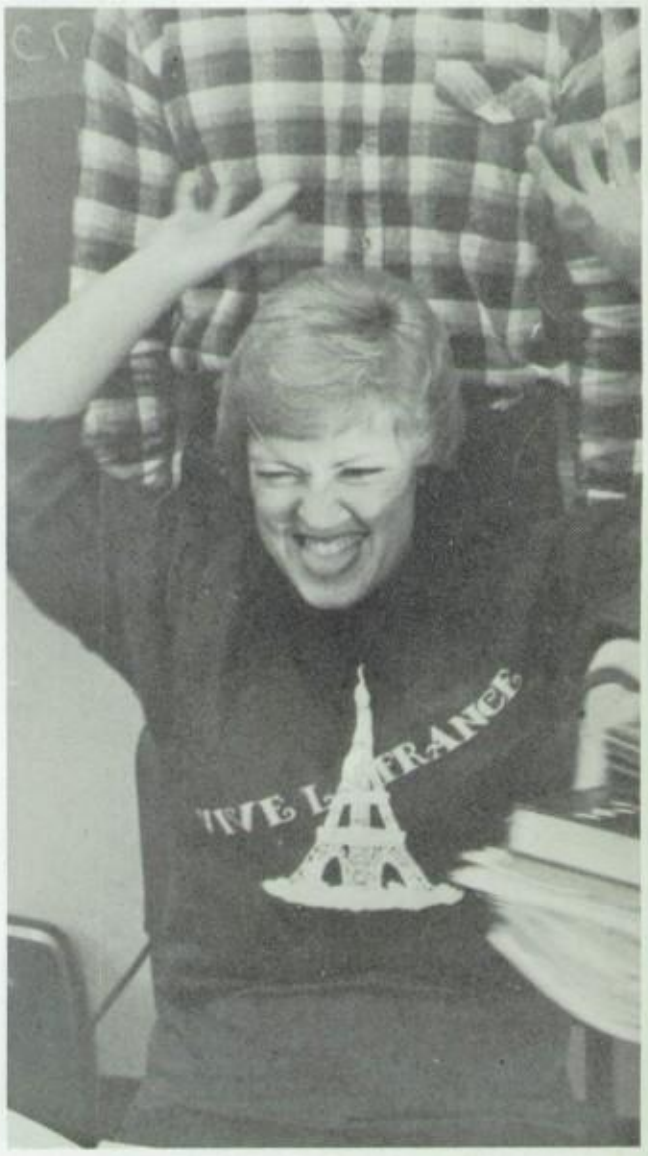
"Gauche" Captures Prime Cut Award

Mrs. Meske was chosen teacher of the year by the student body for the school year of 1982-83. Among her other responsibilities, she teaches French and English. Mrs. Meske is known for her cheerful disposition and playful antics. She is involved in such activities as French Club and the foreign language program. This sometimes included satisfying her sweet tooth for French desserts! Mrs. Meske is popular with her students because she is outgoing and enthusiastic. This was apparent at the Homecoming assembly when she received a pie in her face!









SCHOOL BOARD AND ADMINISTRATION

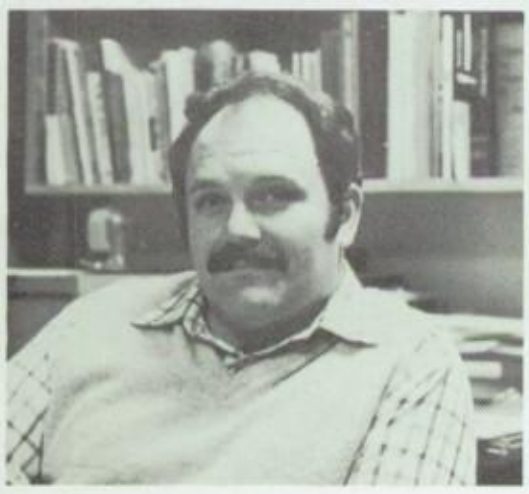
Deciding the Cuts

Dr. Cassell, in his second year as Superintendent of Schools, presents cutback issues to the Board. He feels "Cutbacks force us to look with scrutiny on resources we have to maintain a quality education: with cutbacks, we have to weigh how important each program is in meeting quality accredited standards . . ."

Being a business owner and a father of eight, as well as a board member, *Frank Bruneel* knows how the cutbacks affect the school district when deciding what the budget allows. He feels the decisions must be looked at carefully.

When *Mr. Larson* isn't working for the school district, he is busy with his many hobbies such as jogging or walking which he has been doing for the past 22 years. He is currently the assistant superintendent in charge of curriculum.

"On the school board you have a chance to give input in decisions being made for the Lewiston school district." This is important to *Marcia Ney,* third grade teacher at St. Stanislaus school.



Dr. Trotter coordinates the counseling and special services throughout the district. Lewiston is currently being used as a model program all over the Northwest. When he isn't busy doing those things, he is occupied listening to music or riding in his boat.

"I could see the cutbacks coming and I wanted to add input to the decision making process," *Dr. Dennis Riendeau* commented on his decision to run for the school board four years ago. *Dr. Riendeau* is a local dentist.

Dr. Spellman, Business Manager and Clerk, prepares the budget for the next fiscal period and constantly updates district business procedures. When he isn't working, Dr. Spellman is usually trying to sort through all the antique furniture he collects.

Mary Spencer is the school board president, a physician's assistant, student and mother. She takes the job of president seriously, and when faced with a decision of cutbacks, she considers what is most important and what can be cut, still maintaining high quality schools.

Mr. Floch is director of support services. Among other responsibilities, he is in charge of organizing building maintenance and remodeling in the district.

As the yearbook went to press, Senator *Bruce Sweeney* was in Boise where he dealt with the term "cutbacks" on a daily basis. His Boise defense of education on the education committee against cutbacks, and his 25 year business managerial experience made dealing with cutbacks on the local level a special challenge.

Leading The Way

Doug McMurray, Pres.

Dwain Michael, V.-Pres.

Gaylene Wangsgard, Sec.

Molly Vaughn, Treas.

At the beginning of the year the student body of L.H.S. had to make many adjustments. I would like to thank the student body for the great job of compensating to the new changes in the 1982-83 school year and the help and support that they have given me throughout the year.

I would like to thank my student body officers for the help that they have given me and congratulate them on all that they have accomplished in this school year. I would also like to give recognition to a special man, Ron Mikkelson. Without his help and guidance, nothing would have been as successful as it has been.

It takes the student body, faculty, and administration as a whole to run a school smoothly. I am proud to have served as a student body officer for an outstanding student body at a school that is in a class of its own.

GRADUATION

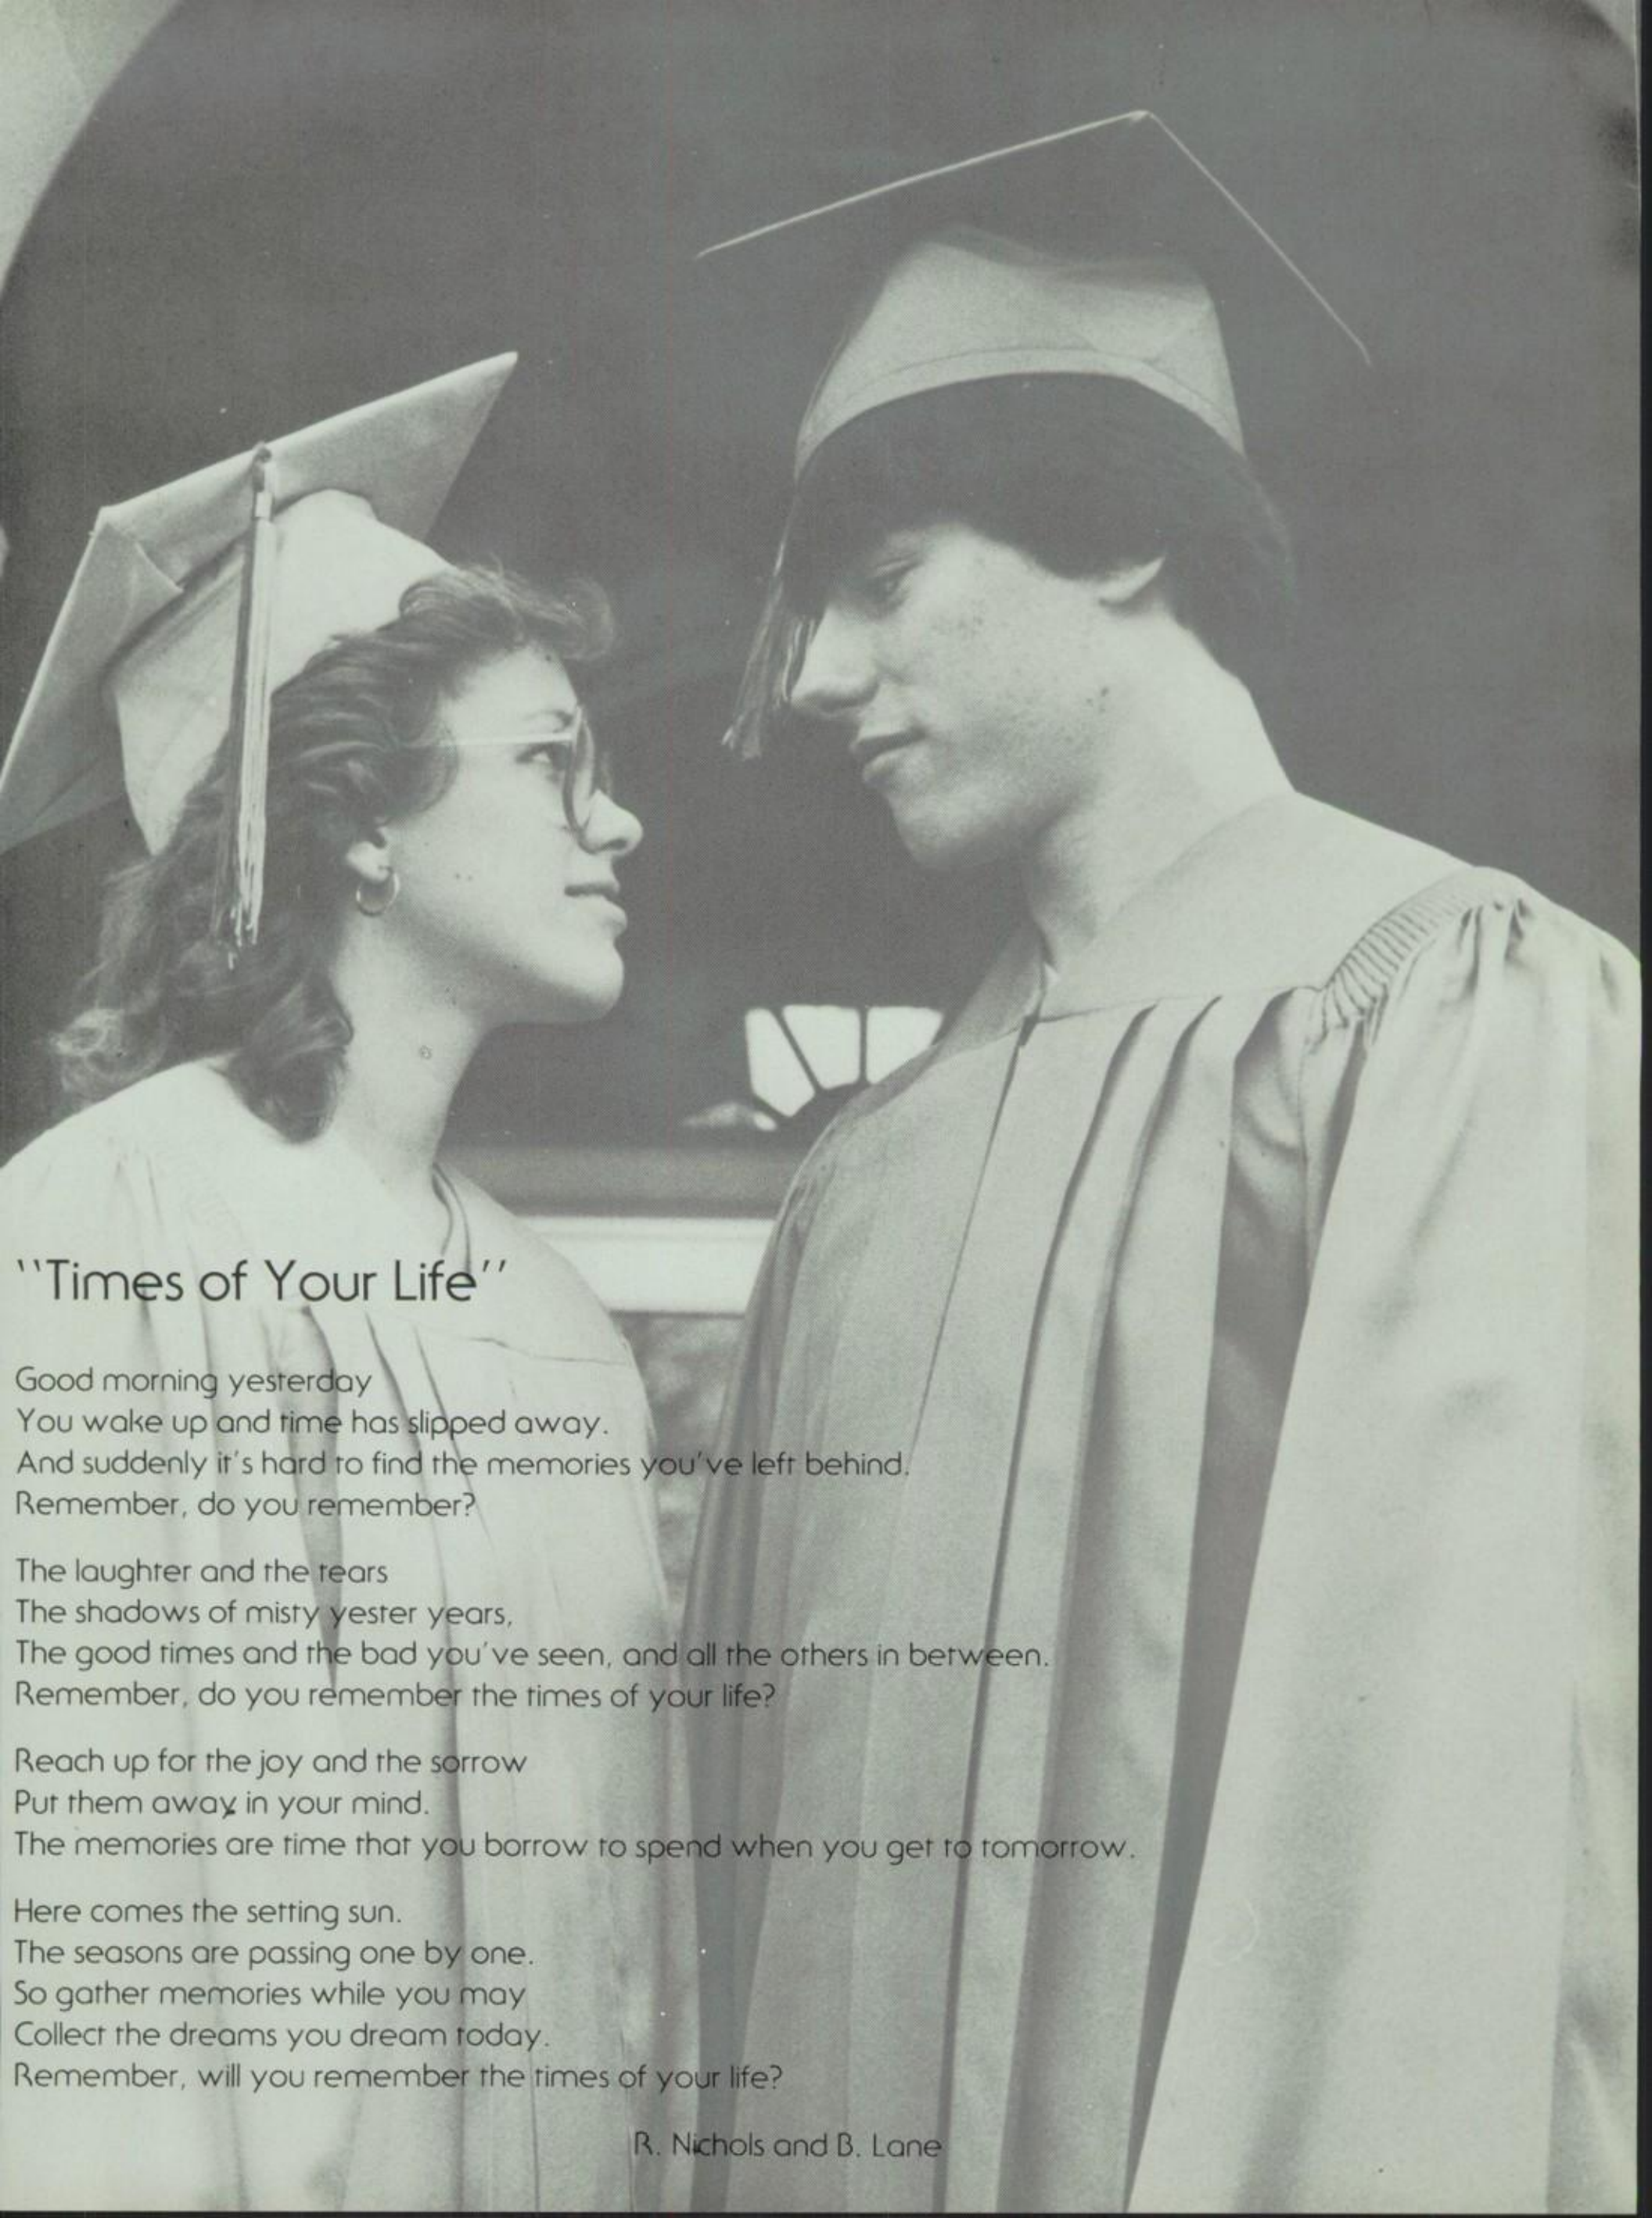
Is this really it,
  Are we actually done?
Thinking back on everything:
  Our sorrows, joys, and fun.

Somewhere in our minds,
  We will remember it all:
The games, the dances
  And the crowded halls.

Is it really time,
  To go our separate ways?
To leave old LHS,
  And the fun-filled days?

Now we will go on,
  To bigger and better things
And hope that happiness,
  Is what the future brings

— Karen Scharbach



"Times of Your Life"

Good morning yesterday
You wake up and time has slipped away.
And suddenly it's hard to find the memories you've left behind.
Remember, do you remember?

The laughter and the tears
The shadows of misty yester years,
The good times and the bad you've seen, and all the others in between.
Remember, do you remember the times of your life?

Reach up for the joy and the sorrow
Put them away in your mind.
The memories are time that you borrow to spend when you get to tomorrow.

Here comes the setting sun.
The seasons are passing one by one.
So gather memories while you may
Collect the dreams you dream today.
Remember, will you remember the times of your life?

Senior Ball Royalty

"You Can Do Magic" was the theme for the Senior Ball and there was magic in the air the night of January 21st. By 9:00 couples, dressed in their formals, were arriving at the Elks Lodge to dance to the music of *Avatar* from Spokane. The Senior Ball Royalty was chosen by the senior class and crowned at the dance. The King and Queen were Doug Favor and Carol Stockburger and Princesses were Dana Dunn and Brenda Olson.

Sweethearts danced and listened to the music of *Scam*, from Coeur d'Alene. Chris and Cindy McCoy were crowned King and Queen, Prince and Princess were Pat Mackey and Debbie Raffety, and Duke and Duchess were Harold Garves and Tony Dufour. The royalty was elected by the student body.

2nd Runner-up

"Juke Box Saturday Night" set the mood for the 1983 Jr. Miss Competition. The curtains rose and the 15 contestants were transformed back to the days of the jitterbugging 50's. The opening was only a preview as to how the talent would shine throughout the evening. The girls added variety to the program as many danced, sang or used their talent in creating entertaining performances. During the week, the 15 contestants were required to have an interview with the judges. As the evening progressed, the girls participated in a Physical Fitness routine, and at last came the time for swirling gowns which created poise and appearance. Tension was in the air as the girls joined hands to await the naming of Junior Miss 1983. The award winners for each category were then named. Linda Belnap was the winner in Creative and Performing Arts, Lynn Arnone for Youth Fitness and The Spirit of Jr. Miss, while Mary Hogan received the Kodak award. Ramona Swanson was awarded second runner-up, with Carla Clifford as first runner-up. Carla also received the scholastic, a simplicity, and Kraft awards. The time finally came, and Gaylene Wangsgard captured the title of Junior Miss 1983. She also won the poise and appearance award. Regardless of the outcome, the girls felt their participation in Jr. Miss was a memorable and rewarding experience.

HALF A SLICE

"The Class of 84"

Now older and wiser but still confused about life, the juniors find new answers and new responsibilities. Showing spirit and a newfound ability to create, the "Hermit Crabs" went Hawaiian during Homecoming. The juniors know next year will be "their" year; their year to make it what they will.

THE SCRAPS

"The Class of 85"

Being a sophomore can sometimes be an "eye-opening" experience, especially when you've been branded "sophomores" for the remainder of high school. There are so many new people to meet, classes to take, clubs to join and things to do that sometimes life gets hectic for these "eternal sophomores." Because they want to become even better upperclassmen, they set out for new experiences further on down the Bengal corridors.

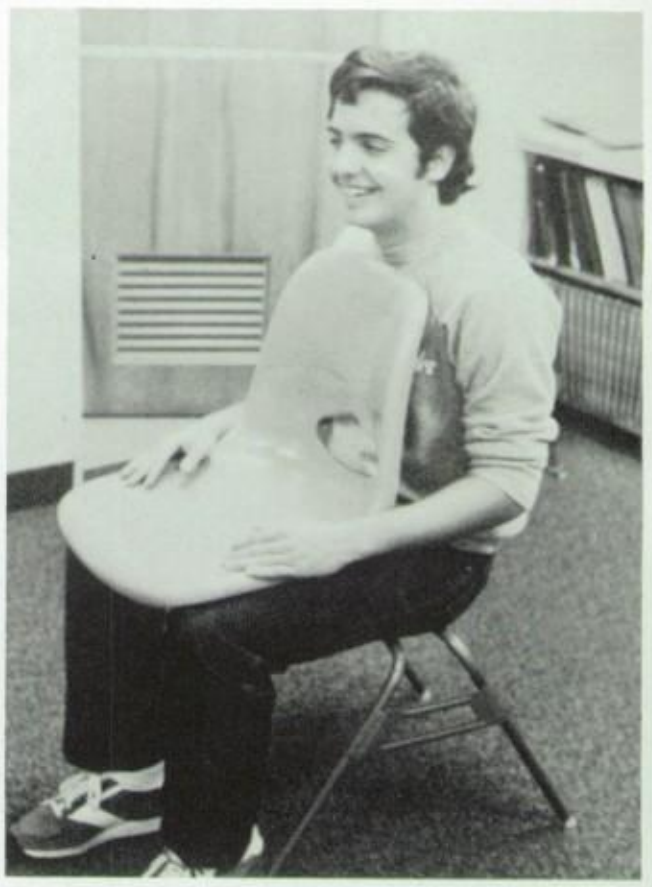
Foreign Exchange Students

Shorter school weeks and two lunch hours are the main differences between Rikako's school in Japan and LHS. Rikako likes many things about America, especially the large and extravagant Christmas. Her favorite food is tacos and her hobbies include listening to music, skiing, going to the movies and sewing.



Who is 15 years old, comes from Asuncion, Paraguay, and craves milk? The answer is Alvaro Moreno. Alvaro is an active sophomore who enjoys reading books and sports. Waiting in Paraguay for his return are two brothers, a sister and his parents. When asked to compare school life at LHS to that in Paraguay he said it is not much different.

There is a girl at LHS, who for the first time since she can remember, has celebrated Christmas without two to three feet of snow. Her name is Hannele Tuami. She is a foreign exchange student from Finland, where she participates in skiing and is a swimming instructor. She is excited about going to school at LHS with its class selection and extracurricular activities.

What did Gerardo Reyes find most interesting in America? The girls, of course! Gerardo is an eighteen year old exchange student from Mexico. He enjoys tennis, water skiing and snow skiing. His favorite place to snow ski is McCall. His favorite American food is a delicacy: pizza! Good choice Gerardo!!

Volleyball, tennis, sewing, playing the piano and singing are some of Yukiko's favorite things to do. She enjoys attending school at LHS and especially not having to wear uniforms. She's envied in Spanish classes where language abilities are evident.

Clubs

You Can't Cut Us Apart

Student Council and Presidents Lead the Way

What did we expect of the presidents? Did we expect more than a good mug shot in the yearbook? Yes, the Committee of Presidents was a symbol of LHS leadership. The club presidencies were expected to produce and not cutback on energies expended to make their clubs work — training for future leadership roles in the community.

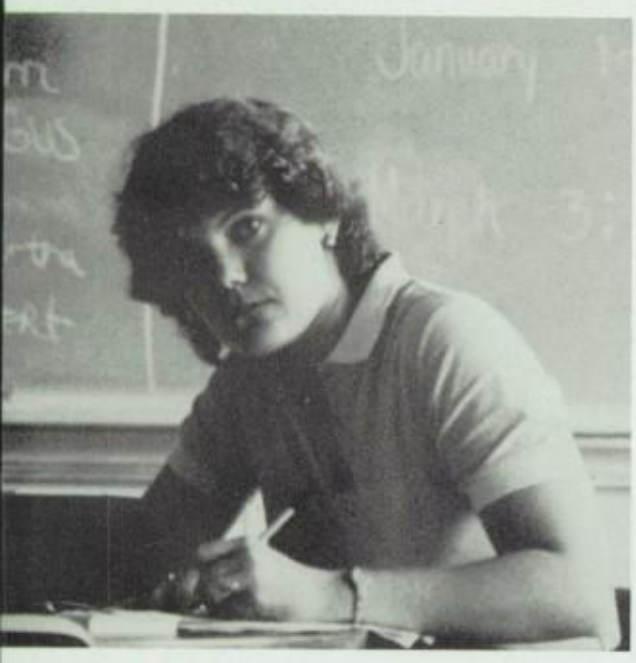
'Twas the day before deadline, and all through the room
Not a staffer was quiet, it seemed like a zoo.
The photos were scattered through the room without care,
In hope that tomorrow they still would be there;
Mr. O in his frenzy, and I in my rage,
Had just set our minds on thoughts for a page,
When out in the hall came a bang and a clatter,
I sprang from my chair to see what was the matter.
When what to my tired ol' eyes should appear,
Who but Albert Gillin, so full of good cheer.

As he laughed and joked and called each by name:
"Now, Lynda! now, Martha! now, Gus and DeAnn!
On, Molly! on, Sherry! on, Bob and Noel!
On, Lynn! on, Susan! on, Randy and Kim!
On, Penny! on, Ken! on, Debbie and Tim!
The spark in my eye, and the shake of my head,
Soon told the staffers to get out the lead.
They spoke not a word but went straight to their work,
And I heard them exclaim with a sigh of disbelief, "We're finally done, and it's such a relief!"



YAC . . . In Action

Youth Activities Council — YAC for short — met independently from the school at the Community Center, where the members planned all the post-game dances. In addition, they sponsored the Sadie Hawkins, Twirp and Sweetheart dances. They also did the detail work for the annual New Year's Eve party. This group not only brought us great music with its dances, but also great fun.

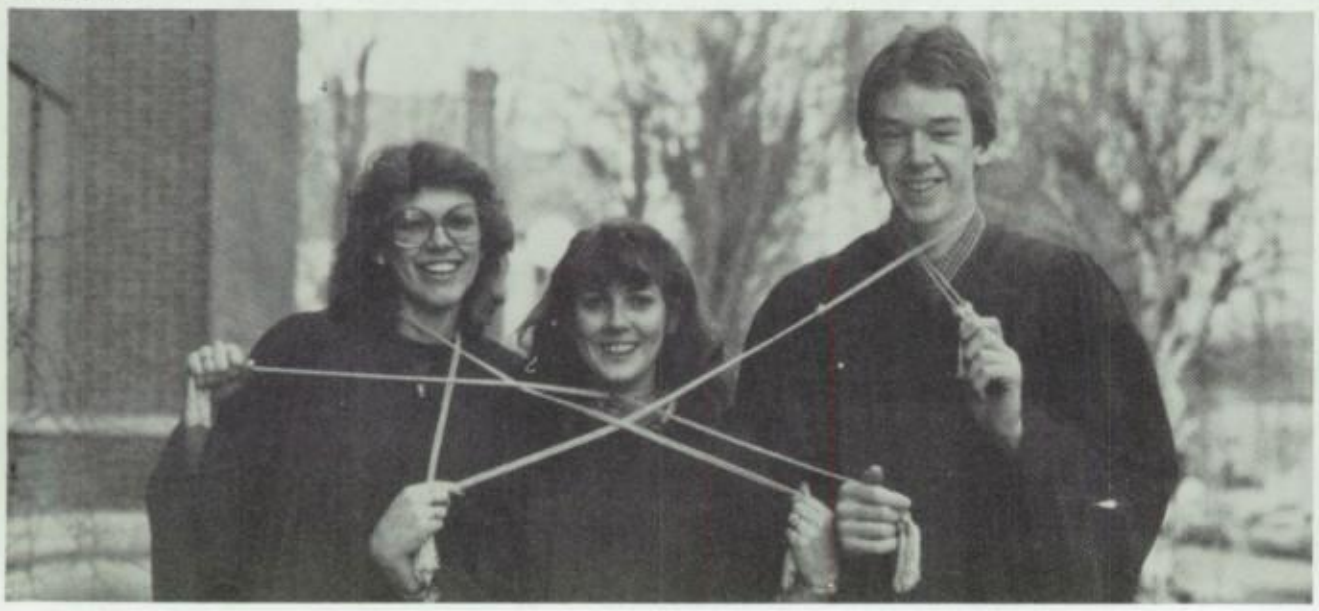
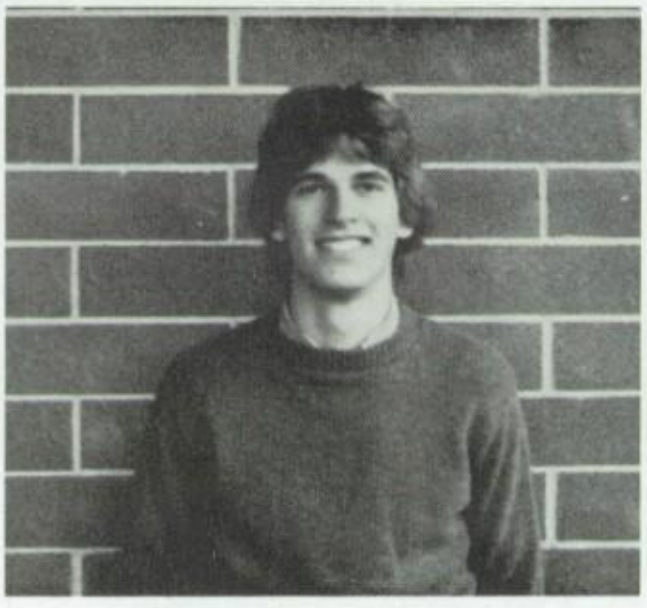
"The long walk" — usually a long walk is associated with the final steps on Death Row or down the wedding aisle. At LHS, the longest walk is for the National Honor Society inductees during the spring assembly. All eyes are on the new members as they head for their honor chords. Membership is based on academic scholarship; maintaining at least a 3.4 GPA and never having received a "D."

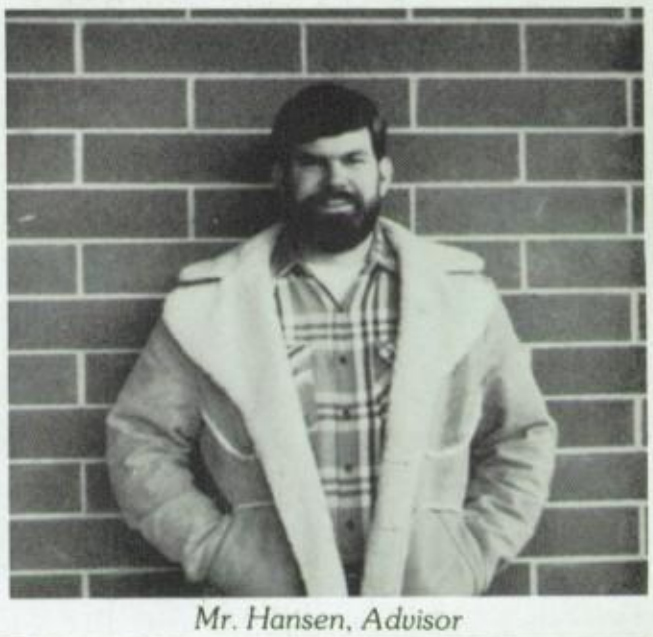
Mrs. Williamson, Advisor

Shelee Holbrook, Secretary-Treasurer; Gaylene Wangsgard, Vice-President; Frank Bruneel, President.



Boys' State: A Rewarding Experience





Mr. Hansen, Advisor

The boys who went to Boys' State were shaped-up in a hurry through morning exercises. They not only marched, but they also had parties — political parties that is! In addition to lesser positions, they chose people for the important mock positions of dog catcher and garbage man. There was a real transition of BSU into a variety of countries and cities.

Boys: Mike Kirk, Albert Gillin, Jim Lowther, Doug McMurray, Frank Bruneel, Jim Huffman, Jim Hogan. Girls: Shelley Eaton, Mona Swanson, Debbie Wicks, Carol Stockburger.

Girls' State Provides Opportunities

Ms. Kayes, Advisor

Our reps at Girls' State were placed in their positions of council women, sheriffs and other officials. The sheriff set speed limits for the halls, putting stop signs on the walls. Two of the created parties held rallies — the Federalists really rounded-up the Nationalists. The week of learning included many songs, fines and chants — all part of the democratic process.

Seated — *Ramona Swanson.* Standing — *Carol Stockburger, Rebecca McKay, Ms. Kayes — Advisor; Debbie Wicks, Shelley Eaton.*

The "Weekend Warriors" hit the war path, often too tired to keep their eyes open, but never too tired to put on their t-shirts to plan for another weekend "out." The senior girls counterparts joined the t-shirt war, flaunting their "Busting free in 83," always looking for ways to express the freedom anticipated May 27th. Respective presidents Gus Hernandez and Brenda Olson checked the activities of the zealous lot in the Senior Boys' and Girls' Club.

Mrs. Jones, Advisor

L-Cube returned to LHS to 3-D movie era with a new twist: red and blue glasses. They distorted and discolored the images of "The Creature of the Black Lagoon." The money raised by the 3-D movie helped the year's activities. The girls in L-Cube uniforms greeted children coming to see Santa at the Potlatch Christmas Party, play fans, and exhuberant families at graduation as they all found seats. In addition to ushering, the L-Cube girls ran the Book Nook until leasing it to DECA in January.

A 3.0 GPA and membership in at least two extra-curricular activities were prerequisites of eligibility in this service group.

DECA Teaches Salesmenship

DECA students were in for a few surprises this year including a new store to decorate, stock and staff. Naturally, the students were involved in sales. Each item sold added to the students' practical experiences, but the real goal is to make the Book Nook store financially successful — good training for future salesmen.

Literary Club

One of the high points in a creative students' career is the publication of his/her work in *The Flowing Pen.* With direction from the advisor and many faithful erasable pens, the final products took shape to give the creative students a chance for self-expression. There were real surprises when the magazine came. Sometimes there is a great deal of talent hiding in the corridors. Obviously, we have a few good future writers.

Purple and Gold showed the true colors of LHS. "Service" by "student participation" were the passwords for this active organization open to every girl on campus. These are the girls who cut bulletin board letters and ignored the taunts of their friends while decorating the halls monthly. These were the girls who, with their advisors, organized Christmas Baskets, bring joy to more than twenty families. These are the girls who shed no tears when they brought mom and dad to separate banquets, but who left a salty trail on their friends' shoulders as they finished the year at the banquet of tears — another year washed away with only memories left.

Lettermen Gave It Their All

Who wore the "L?" — Male and female alike sported the school colors as partial recognition for hours of exercise practice and concentration which made them the starring athletes. The lettermen had survived the cuts and were determined to prove that they were cut out to bear the torches of Bengal pride on each court mat and play field.

Radio Clubs Keep Us Informed

Scott Gleason, Brad Heflin, Denise Fortner, John Reed

Hey! Did you accidentally forget to listen to the bulletin being read in class? You were saved by the Radio Club members who presented the schedule of events inside LHS for the radio audience. Some of you even tried to listen to them with your Walkman sets.

The Club provided valuable experience for the students, improving voice quality and diction. It was not easy to get criticism from friends, so getting into shape was a quick process for the announcers.

The mike went on. The voices recovered from the momentary shock of being on the air. And the radio forensics announcers began their original commentaries. The LHS band of 1983 was the sweet smell of sweat and taste of elegance combined. Both the marching and concert bands provided music to stretch our ears and step-up our spirited paces. Marching band participants were men and women for all seasons, braving the summer heat in their heavy uniforms and the winter frost locking chapped lips to their horns. In sharp contrast, classical black attire accompanied the more traditional concert band at the District II Music Festival, graduation and concerts as well. Students were both passive and active participants in the LHS musical experience.

There was never a dull moment at a Spanish Club party. When the microwave failed to churn out nachos fast enough, the advisor's tie collection was invaded. The Purr Staffs

The student newspaper, *The Bengal's Purr*, is regarded by journalistic scholars as one of the best high school publications in the nation. It offers students a medium in which to grow and mature through writing — the whole creative process of discovery, of selection, of analysis, of discipline.

The Bengal Times, which issued its first publication in November 1981, grew from student desire to publish a magazine, a supplement to the newspaper process. Although its writers also participate in the newspaper production, the magazine has its own distinct editorial staff.

The Press Club is open to all students in communications: newspaper, magazine, yearbook, and radio. It is the social group of the communication students.

Varsity Cheerleaders Lead School Spirit

This year's varsity cheerleaders have done an outstanding job of leading the school in cheering. This is one of the most highly spirited and talented group of girls the high school has had in quite a while. From the start of summer into the school year, these girls practiced from 6:30 a.m. to 8:30 a.m. five days a week. It was dedication like this, that proved our cheerleaders were out to display the true meaning of school spirit.

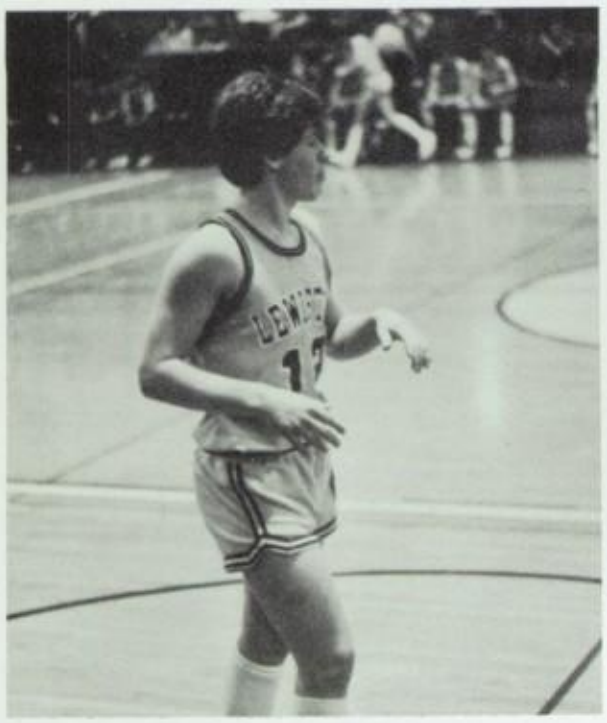
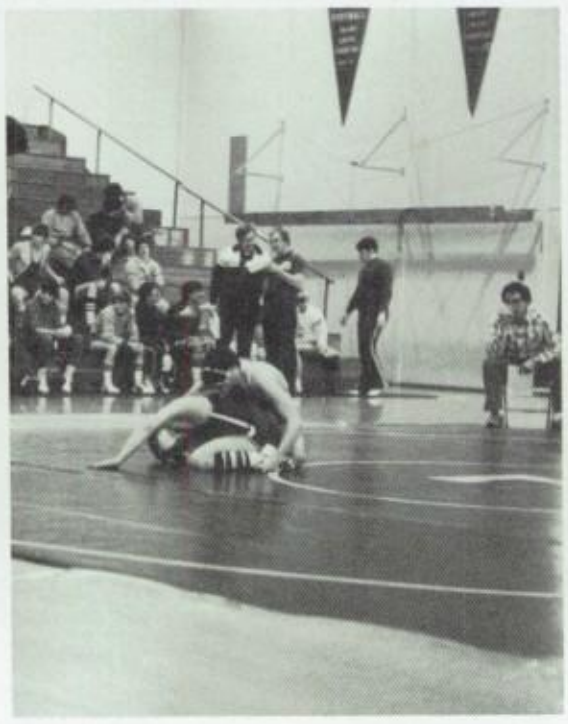
You're on Candid Camera

This page is dedicated to the athletes of LHS. We are proud of the efforts each one has put forth in the 1982-83 school year. In being involved with sports these athletes have learned what competition brings, while experiencing the satisfaction of being able to participate. Dedication, hard work, and sacrifice sometimes go unnoticed if the outcome of the season is not equal to that which is expected. We, the Student Body, congratulate you on these efforts, no matter what the outcome!





Football Team Has Best Record in Eight Years

The Bengal Varsity football team defeated three of four Southern Idaho teams including a stunning 21-20 victory over third-ranked Boise in the Kibby Dome. This victory plus six others gave the mighty Bengals a 7-3 record; the best since 1976 when the varsity was 8-2. A strong zone defense designed by coach Earl Trigsted kept the opposing teams out of the end zone while the fast paced run and gun offense put the winning points on the board for the Bengals. Rusty Harris was voted "Most Valuable" for the team while Shawn Solom captured "Most Inspirational."

The junior varsity football squad had an outstanding turnout this year, suiting up 67 athletes, the amazing part about it was 53 were sophomores! That didn't seem to interfere with the outcome of the season as coaches Hanson and Carter provided an excellent team. The Bengals faced some very tough teams, but survived winning four of their nine contests. The jayvees played excellent mid-season ball by stopping Prairie 58-0 and Pullman 14-0. The Bengals also defeated Moscow and cross-river rival Clarkston.

Mighty Seniors Crush Underclassmen

This year's Seniors proved the real meaning of "Seniority" by defeating the underclassmen 25-0. Last year's rumors of underclassmen cheating and unfair play to win 6-0 were proved just rumors, as the powerful defense kept the underclassmen's goal vacant all night long. The seniors jumped off to a quick 12 point lead; the underclassmen made a run for it, but the overpowering defense shattered the high hopes of scoring. The game wasn't all one-sided, the underclassmen almost scored when senior Marlena Zeigler intercepted the ball and ran it back the wrong way.

Volleyballers Learn Team Unity

Teams from the north brought strong competition to the girls' varsity volleyball team. Although the team just couldn't seem to get rolling, the girls still kept up their effort throughout the season. Coach Janice Drake tried to keep the girls' spirit up, because the talent was there. The team had its share of losses, but the lessons learned throughout the season added to the level of competition. As the season progressed the girls improved their bump, set and spiking game. The experience learned through this year helped bring about new attitudes on the importance of team volleyball to the players and their coach.

J.V. Volleyballers Learn Team Unity

Coach Sharon Bradley encouraged her young team to a successful season. The girls learned the importance of fundamental playing, along with the need for team unity. Improvement was the key word to the 1982 season. The girls proved this true in their final games. "Practice makes perfect" and the effort that these girls put forth helped them complete the goal they set out to accomplish.

Cross-Country Team Captures Regional Meet

This year's cross-country team was the strongest team in L.H.S. history. A 7-0 record in dual meets, it proved the team was "for real" this year. The Bengal runners captured the regional playoffs and went on to represent Northern Idaho at the state meet. Lewiston, led by the power running of seniors Dave Shrum and Phil Wallinger, placed third at the state meet. Shrum was voted "Most Valuable" by his fellow teammates and coaches. Dave, a four year letterman, did an outstanding job. Wallinger was voted "Most Inspirational" for his hard work and dedication.

Matmen Gain Experience

This year's wrestling squad was one of the youngest teams in recent years. Most of the team consisted of underclassmen and freshmen. The matmen started the year off slowly but improved as the year went along. The Bengals, at mid-season, won three of four matches and faced some of the strongest competition of the Northwest. L.H.S. had some outstanding individual talent in senior Paul Kraus. Kraus won 80% of his matches and is considered to be one of the finest lightweight wrestlers in the region. The team should be strong in the years ahead due to the youth of this year's matmen.

Varsity B-Ball Grabs Fourth Place Ranking

With an average height of 6'2" and nine seniors, second year coach Jim Minnette had just what he needed to provide a winning team. Lewiston started out by winning eight of their first ten games and took a fourth place ranking in the state poll. Lewiston had four returning lettermen on the team: Dean Rasmussen, Doug Favor, Dennis Smith and Damon Vickers. These four veterans showed leadership and determination throughout the year. Rasmussen pulled down 80 rebounds in the first eight games. Vickers was a sure shot from the outside, while Smith and Favor provided the strength and size the team needed inside. The Bengals did an outstanding job this year by filling up Booth Hall to its capacity for the majority of the games.

Underclassmen Display Quickness and Speed

The Junior varsity basketball team started the 1982-83 season on the right track by winning their first seven games. The underclassmen weren't the tallest team, but what they lacked in height, they made up for in speed and quickness. The jayvees defeated Kellogg, Pullman and Clarkston twice. Guards Mike Venkus and John Ney led the shooting attack and ran the overpowering offense for the Bengals while Ken Eldridge and Tim Baldwin provided all the inside muscle. There were only five juniors and eight sophomores on the team this year, therefore next year's team should be strong and experienced.

Girls' Basketball: "On the Rise"

A young team is rising up to sweep away girls' basketball. The Lewiston Ben-gals Girls' Basketball Team consisted of three seniors, one junior and six sophomores. This has been a building year for the Ben-gal varsity. The young team started off the season with an important win over Capital. This accomplishment helped build stamina and proved to the Ben-gals the talent was there if they put it to use. These athletes and Coach Wicks should be congratulated for their effort this season. The continued dedication will bring success to this team.

Dedication Brings Victory!

The season spelled victory for the junior varsity as they walked away with a 17-2 record. Coach Thera Duel had the honor to coach this winning team, bringing out the girls talent while receiving from them dedication and determination. The girls added inspiration to these games with having the attitude to win. Winning can not be measured just by a season record, but by the hard work the athletes must put in. With a great record and such enthusiasm the girls learned the true meaning of what it is to win.

Golfers Open With Tournament Victory

The Bengal Golf Team ranks as being one of the top teams in the state this year. With four returning lettermen and experienced coaching from Bob Murphy, the Bengals hope to fare well this year at the state competition.

The Bengals opened up this season against Pullman. They defeated the Greyhounds 155-191 in dual play. In their first tournament of the year (the Kennewick tournament) the Bengals defeated Idaho and neighboring Washington schools.

Front Row — Jeff Dorendorf, Tom Vollbrecht, Jeremy Rogers, Kelly Sharp, Duffy Davies. Back Row — Wally Kilmer, John Baldeck, Dave Mahan, Bo Davies, Scott Gleason, Terry Koepper, Darren Ball, Steven Bly.

Varsity Baseball Showed Depth

The Lewiston Varsity Baseball team opened the 1983 season with a strong showing against Lewis-Clark of Spokane in a twin bill. The Bengals defeated the tigers 9-5 and 16-3.

With a 24 man roster and 13 returning lettermen, the varsity had a strong ball club with good depth at all positions, including ten pitchers. These pitchers came in handy as the team played over 40 games. Hard work, determination and excellent supervision by head coach (hall of famer) Dwight Church proved to be the right ingredients in producing a winning team.

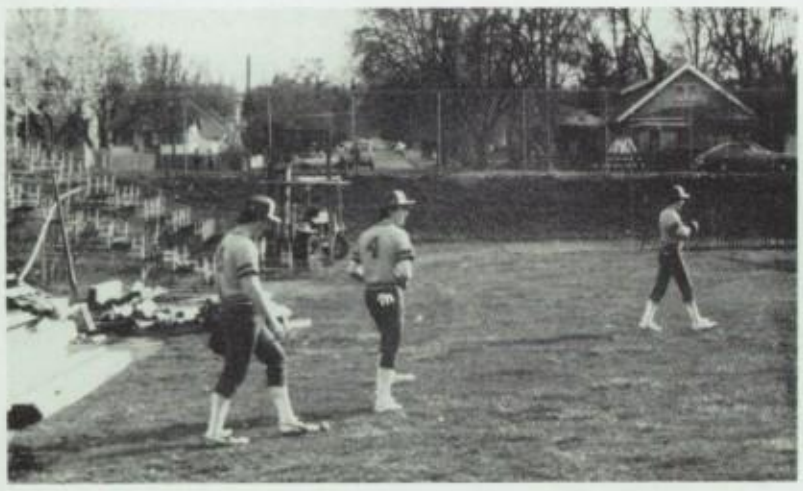
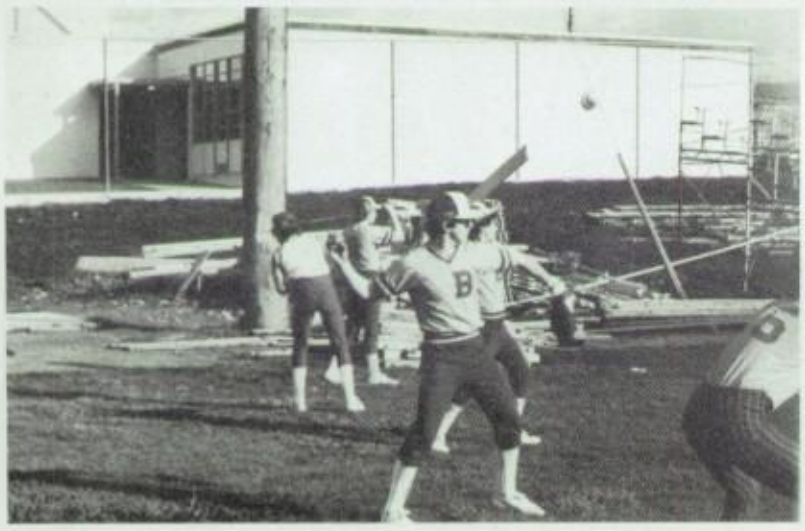
Young Team Gains Experience

The Bengal Junior Varsity Baseball Team had a turn out of 27, 15 of which were Juniors and sophomores and the rest were freshmen. Steve Vassar, the head coach, scheduled a variety of opponents, mixing jay-vee and freshmen games. Many of these players will be good prospects for the varsity team next spring. WAY TO GO BENGALS!!





Ben-Gals Swings Into Action

Under Coach Janice Drake and with the help of Coach Thera Follett, the girls softball team worked hard in order to maintain a successful season. The girls were excited about having their new awaited uniforms, and proved this by playing with enthusiasm in the ballpark and in practice. Seniors Kathy Huddleston, Cari Morton, Lori Morton, and Denise Steiger helped lead the young team by adding dimension and stability.

Track Returns Twenty Lettermen

The Golden Bengal track team had a very strong turnout this year with the return of 20 lettermen. The Bengals were very strong last year in long distance running. With the return of seniors Dave Shrum and Phil Wallinger, the Bengals should be equally competitive this year. Coaches MacDowell and Pell helped the guys in long distance running and sprints while coaches Brunmeier and Byington supervised the girls' track and field events. The track team faced some very tough competition from both Idaho and Washington schools and did very well. Congratulations Bengals!

Bengals Defeat Bantams in Opening Match

The Lewiston High School Tennis Team had an excellent turnout this year with 13 returning lettermen. The Bengals opened up their season against the cross-river rivals, the Clarkston Bantams. The Bengals defeated the Bantams 7-5. The netters traveled to Boise in April to take on southern Idaho's toughest competition. The guys were led by senior Tom Wortman who placed 3rd in state competiton last year. The girls' team was led by a strong group of 9 returning lettermen. Mary Hogan and Brenda Olson led the doubles play while Tannis Simmons was seated number one for singles. The 1983 state match was held at Sun Valley in early May. Good job Bengals!

"Basketball Cheerleaders Show New Look"

The 1982-83 girls' basketball cheerleaders added a new dimension to L.H.S. cheering this year. Tim Lombard was that new dimension. Tim, along with Sheri Sinner and Dena Russell cheered the basketball team on throughout the year. Though there were only three of them, the cheerleaders projected the sound of ten people. The crowd was not always willing to participate, but this was of no worry to the threesome as they kept spirits high and the noise level up!

Cross-Country and Wrestling Cheerleaders Do an Outstanding Job

A tremendous amount of applause should be given to Gayle Nutt, Pam Rossiter, Cindy Grant and Wendy Forman for their outstanding performance this year as Cross-Country and Wrestling cheerleaders. Wrestling and Cross-Country are the hardest sports to cheer for because of the individual nature of both Cross-Country and Wrestling it is harder to motivate both the crowd and the athletes than it is at a football or basketball game.

It was fun this semester (and semester) as your aide. I loved it even though most of the time you kept me busy. I think you are the greatest teacher, no I'm not buttering you up for an "A" hee hee! I hope you have an excellent summer. Next year I'll stop in and pester you! ok? Too bad you won't have me anymore! There goes your excellent little typist! ha, ha. Thanks for helping me through the bad times! I'm sure hope you're around when my kids go to J.H.S. Not saying you'll die, but I'm sixty! ha, ha! Really, J.H.S. kids until you're sixty! ha, ha! You will lose an excellent teacher when you leave! I'm glad I had the pleasure of meeting you. (In my comp. class last year and as your aide this year)
